

PRODUCT CHANGE NOTIFICATION

Ai PCN No: 132

Date Issued: June 24, 2016
Notice Type: Product Revision Change
Product Type: RL208

Change Notification Summary

In an effort to improve our products, Advanced illumination (Ai) will update the LEDs used in the RL208 design. This change will result in a brighter, more uniform light at the same price*. Customers may still buy the current revision of this model until July 22th of 2016. After that time, orders for these products will be converted to their respective RL208 Revision A models.

This LED change will result in additional wavelengths being available: 365nm, 375nm, 385nm, 395nm, 405nm, 470nm, 505nm, 590nm, 660nm, 730nm, 850nm and 940nm. **Additionally the white LED color temperture will be changing from 6100K to 5500K.**

*UV wavelengths (365nm, 375nm, 385nm, 395nm & 405nm) will be sold a higher list price, which will be released at the time of product introduction.

Please contact your Ai Sales Representative if you have any questions.

Products Affected

Old PN	Last Order Date	Last Ship Date	Replacement Product
RL208L-CCCPP	July 22, 2016	August 19, 2016	RL208L-CCCPP, Revision A

L = Lens, CCC = Spectral Wavelength & PP = Connector/Control
