

PRODUCT CHANGE NOTIFICATION

Ai PCN No: 140

Date Issued: April 13, 2017
Notice Type: Product Discontinuation
Product Type: PS24

Change Notification Summary

Advanced illumination (Ai) is discontinuing the sale of our PS24 power supply. This power supply was used mainly with our older electronics, and since those electronics were discontinued at the end of 2016, we will end the sale of this model as well. The PS24-TL is still for sale and works with all of our current lights that require less than 1.5A of current.

The PS24 will be for sale until we exhaust our remaining stock.

Please contact your Ai Sales Representative if you have any questions.
