

PRODUCT CHANGE NOTIFICATION

Ai PCN No: 143

Date Issued: December 1, 2017
Notice Type: Product Discontinuation
Product Type: RL169 Family

Change Notification Summary

Advanced illumination (Ai) is discontinuing the sale of our RL169 High Performance Bright Field Ring Light. This ring light's intensity and uniformity have been matched by the RL113 Rev. A model, as well as being a drop in physical replacement. In addition, the RL113 is available in 16 wavelengths and a number of power options.

Please contact your Ai Sales Representative if you have any questions.
