

## PRODUCT CHANGE NOTIFICATION

Ai PCN No: 147

Date Issued: June 30, 2018  
Notice Type: Product Discontinuation  
Product Type: RL1360 & RL1660

### Change Notification Summary

In an effort to improve our products, Advanced illumination (Ai) will replace the existing dark field ring light designs (RL1360 and RL1660) with the DF241 and DF242. Customers may still buy the old designs up to June 30th of 2019. After that time, only the new DF241 and DF242 will be available.

The new dark field ring lights are expected to be released in the 3rd quarter of 2018. These new designs utilize the same LED geometry but with more industrial look. The mounting hole positions will be moving to facilitate this design change.

Please contact your Ai Sales Representative if you have any questions.
