PRODUCT CHANGE NOTIFICATION

Ai PCN No: 181

Date Issued: 1/6/2026
Notice Type: Product Change
Product Type: DL225-150XXX

Change Notification Summary

Advanced Illumination (Ai) will be changing the beam splitter component from acrylic to glass due to manufacturing requirement changes and quality control. This will result in equal-or-better performance in terms of brightness and uniformty, and will not adversely affect form/fit/function.

Lights will be updated to "RevA"

Products Affected

DL225, 150 size, all colors, all power configurations
